OE Kavanaugh Rinn

## Bud

Hi - I'm Bud. My registered name is Siddhis OE Kavanaugh Rinn. Yes, that's a mouthful! But my "human mom" named me after a dear friend who absolutely loved my furry mom, Gwendolyn.

I share my home with a few dogs - called Schipperkes! Little black furry things that love to wash my face all the time and think they're cats! - and a few other Havanas.

I'm a chocolate Havana, and I have bright green eyes. See how big my ears are?

I live in Texas. And I love to watch the Cardinals and Blue Jays eating birdseed outside the window. We have a lot of Geckos too that I watch sunning during the day on the window sill, or running on the window screens after bugs at night.

Take care - Bud

Take time to play with your cat! Even 10 or 15 minutes will make them happy. A ball to roll . . . a wad of paper to retrieve . . . a feather to chase!
